all other things being equal,

3. As it has been recently decided that the Village Panchayat System should be introduced into the Villages within the San Bd area, it is for consideration whether it is expedient at all to retrench the San Bd Sanitary Staff of Inspectors.

4. The San Commr points out that-

(a) the Offr should not be discharged straight off without considering the possibility of finding a billet for him elsewhere or without before obtaining orders of Govt as to what should be done with the long standing Offr.

(b) Retrenchment of Subordinate executive San Staff is not expedient. It is not clear how an appointment found necessary for the last 20 years has become superfluous all at once.

(c) An impaired public health or an insufficiently controlled epidemic would lead to more serious consequences than balancing Budget by retrenching San Staff.

May these views be communicated to the San Bd for reconsidering their decision in regard to this San Inspector.

These proposals relate to the arrangement proposed by the Kegalla Land Board in their establishment charges to meet the deficit in the Crown balance and to bring about a reduction in their annual recurring charges. In accordance with their resolution they have ordered the discharge with effect from 1st April 26 of Land Insp^r on Rs 192 + Rs 10.

They have in their subsequent reference L 5/29/26 also requested that in consideration of 20 years service put in by the above individual & his fitness for outdoor work any of the other local bodies may be directed to provide a place for him and absorb him on his own pay & grade in any existing vacancy in preference to ordering Land Inspectors who may be reverted to their permanent posts so that they may be no break in his service

The Land Com^r has informed me already that there would be no vacancy before the period in which the Land Insp^r could be appointed. He has in para 4 & 5 of his letter L 5/29/26 stated why the services of the person should not be so dispensed with & has urged the discharge of

In his memorandum of 11/3/26, the Land Drgs says that the post which Ahmed Ismail has retrenched under the resolution of the Bd was one at Rs 72+20 & it was another who has been drawing that pay viz Mr V. Krishnaswami Rao who was formerly in the Distt Bd's office, which he is drawing only Rs 72+20 & has all along been in the Bd's service. He therefore has prayed for his retention in the Board's service as his claims are far superior to those of the Bd to retain his retrenched hand a place is provided for him.

From

B. MAHOMED USMON, ESQ., L.M & S.,
Sanitary Commissioner with the Government of
His Highness the Maharaja of Mysore, BANGALORE

To

R. RANGA RAO, ESQ., B.A.,B.L.,
Secretary to the Government of Mysore,
Medical & Agricultural Departments, BANGALORE.

Sir,

In forwarding herewith copies of correspondence ending with letter No. 138 dated the 1st March 1926 from the President, Sanitary Board, Kolar Gold Fields, I have the honor to state that on account of financial stringency and to balance the Budget, the Sanitary Board propose effecting retrenchments to the extent of Rs5,390 per annum. The proposals are said to be pending the sanction of Government.

2. One of the appointments proposed to be retrenched is that of a Sanitary Inspector on Rs72/- plus 20 H.A. plus 10 C.R. in the grade 67-5/2-87. I was asked to intimate whether I could arrange to absorb "one of the Board's Sanitary Inspectors in grade 67-5/2-87 in any vacancy in the State." I wrote and informed the President that to my knowledge there were no vacancies, in any one of which the Sanitary Inspector could be absorbed.

3. I now receive a further communication stating that the Board have resolved to discharge one of the Senior Sanitary Inspectors, Mr. B. Aswathanaranaiya - "a long standing and qualified Sanitary Inspector with a total service of nearly 20 years" and requesting me to arrange to "fix him up" in the "provincial cadre" within the 1st April next. I have no information as to whether the sanction of Government has been

15

accorded to the retrenchments proposed or whether the Board have resolved upon the discharge of the official merely in anticipation of the sanction of Government. No reasons are assigned except retrenchment and I am to presume that no fault was found with his work.

4 It is usual before discharging an officer with twenty years service to take into consideration the possibility or otherwise of providing him with an appointment elsewhere or obtain the orders of Government as to what should be done with him instead of giving him a discharge straight off. Or the most senior among the Sanitary Inspectors, who is nearing the age of superannuation, could have been pensioned off and the appointment retrenched. Or again, the most junior Sanitary Inspector on the smaller initial pay might have been chosen, so that it would have been less difficult to give him an appointment elsewhere after discharge from the Sanitary Board. It does not appear to me that all these aspects have received due consideration in the present case.

5 Further, I am of opinion that the retrenchment of a subordinate, executive appointment in the Sanitary Department is hardly justifiable on any valid ground. An appointment which has been fulfilling a need for the past 20 years cannot all at once become superfluous. Besides, the prevailing trend all over the world is certainly not towards curtailing the sanitary staff but to improve and to utilise it to secure a better standard of local sanitation. Where an important local area like the Kolar Gold Fields is concerned, it is a retrograde step to think of "balancing the budget" by crippling the sanitary department. An impaired public health or an insufficiently controlled epidemic of any description would be far more momentous in this great industrial centre than elsewhere.

6 It will be kindly observed from the correspondence that the President thinks it is "incumbent on the Sanitary Department" to provide places to discharged local employees. He cannot be unaware, as President of the ~~Local~~ Kolar District Board,

that the Sanitary Inspectors are all paid by and are absolutely under the control of the local bodies employing them and that they are not borne on any "provincial cadre" subject to any centralised authority except Government.

I submit the case for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Wilson

A.R.M.

SANITARY COMMISSIONER,

Letter No.55/25-26 dated the 7th January 1926 from the President, Sanitary Board, Kolar Gold Fields, to the Sanitary Commissioner, with the Government of Mysore, Bangalore.

I have the honor to, state that on account of Financial stringency and to balance the Budget, the Sanitary Board have had effect retrenchments in the establishment and other recurring expenditure to the extent of Rs 5300/- and their proposals are awaiting sanction of Government.

In the retrenchments proposed the place of a Sanitary Inspector on Rs 72/-plus 20 H.R. plus 10 H.R. in grade 67-5/2-87 was one. This Official had since October last been posted to Kolar Town Municipal in a short leave vacancy and his place had been kept vacant on the Field. But on account of the permanent incubent in Kolar Municipality having returned from leave, this Inspector has had to revert to his permanent post under the K.G.F. Sanitary Board.

As this reversion affects the retrenchment proposals which have already been submitted to Government for sanction, I request you to be good enough to intimate to me if you could arrange to absorb one of the Board's Sanitary Inspectors in grade ~~67/5~~ 67-5/2-87 in any vacancy in the state. On hearing from you I shall furnish to you the name and other particulars relating to the Inspector to be absorbed.

Letter NO.C.501-2 dated the 12th January 1926 from the Sanitary Commissioner, in Mysore, Bangalore, to the President, Sanitary Board Kolar Gold Fields.

With reference to your letter NO.Mis 55/25-26 dated the 7th instant requesting the absorption of one of the Sanitary Inspectors of the Board proposed to be retrenched in any vacancy in the state etc, I have the honor to inform you that there are no vacancies at present so far as I am aware.

Letter NO.C.138 dated the 1st March 1926 from the President, Sanitary Board, Kolar Fields, to the Sanitary Commissioner in Mysore, Bangalore.

18

With refernce to your letter NO.C.501-2 dated the 12th January 1926 in the matter of absorption of a Sanitary Inspector on Rs 72 plus 20 H.A. in grade 65-5/2-87 in the ~~xxxx~~ service of the Sanitary Board, retrenched by the Sanitary Board, I have the honor to enclose herein, for your kind information and further action being taken to absorb him elsewhere, a copy of the Sanitary Board's resolution NO.10 passed at their meeting held on the 19th Friday 1926

The Board have ~~pe~~solved to discharge one of the Senior Sanitary Inspectors in the above grade in order to give effect to the retrenchments already resolved upon and reported to Government, and according to this resolution Mr.B.Aswathanaranayya a senior Sanitary Inspector on a pay of Rs 72 plus 20 in grade ~~65/5~~ 67-5/2-87 will be discharged from the Board's service with effect from 1st April 1926. He has also been served with a notice of discharge and directed to report himself to you for absorption elsewhere.

Mr. B.Aswathanaranayya is a long standing and qualified Sanitary Inspector with a total service of nearly 20 years and has to be provided for elsewhere in preference to acting and other Sanitary Inspectors of less service.

As the Sanitary Inspectors are borne on the provincial cadre, it may not be difficult to find a suitable place for him in ~~ay~~ any of the Municipalities and District Boards in the State, and I think it is incumbent on the Sanitary Department to provide him with and absorb him on his own pay of Rs 72/- in his present grade 67-5/2-87 under the special and inevitable circumstances mentioned above, due to retrenchments, etc.

I request you therefore to kindly see your way to fix him up within this interval i.e.within the 1st April 1926, so that there may not be any break in his service. The matter may kindly be treated as urgent and disposed of as early as possible.

Sir,

I have the honour to state that, as the result of retrenchments proposed and submitted to Government for sanction in this office C.No. 186 of 1924-25 dated the 21st December 1925, the Sanitary Board have at their meeting held on the 19th February 1926 resolved to discharge from the service of the Sanitary Board one Mr. Aswatha Naranayya, a senior Sanitary Inspector on Rs 72 plus 20 on in 67-3/2-87 grade, from 1st April 1926.

Mr. B. Aswatha Naranayya is a long standing and qualified Sanitary Inspector with nearly 20 years of service and is still quite fit for outdoor work. He has to be provided for elsewhere in any of the municipalities or District Boards in the state, his claim to service having precedence over his juniors and other acting Sanitary Inspectors.

I request that you will be so good as to move Government to direct Local Bodies to provide a place for Mr. Aswatha Naranayya and to absorb him on his own pay and grade in an existing vacancy in the state in preference to acting Sanitary Inspectors(of whom there must be many) who may be reverted to their permanent posts, within the -- 1st April next so that there may not be any break in his service.

Memorandum for kind interview of the Member of Council, Mysore Government, Bangalore.

---

1. B. Aswathanaraynaiah underwent Sanitary training in Madras as one of the Mysore Government Scholars in 1905 and was permanently posted to Kolar Gold Fields as a Sanitary Inspector in 1906; since then has been doing satisfactory work as the accompanying testimonials show.

2. In pursunace of a Resolution passed in Kolar Gold Fields Sanitary Board Meeting held on 19-2-1926 to retrench a Sanitary Inspector getting Rs. 72+20+10, B. Aswathanaraynaiah was served with a notice that he will be discharged from 1-4-1926. The Resolution in unjust and the reasons for discharging B. Aswathanaraynaiah are not clear for the following reasons:-

3. There are 4 Sanitary Inspectors including B. Aswathanaraynaiah aged 43 about whose satisfactory work there have been enclosed several testimonials along with this Memorandum.

i. B. Aswathanaraynaiah has put in nearly 20 years of unblemished service in the Sanitary Board, now drawing a pay of Rs. 72+20 and has a permanent lien in the Sanitary Board.

ii. Mr. V. Krishnasamy Rao aged 42 who was in the Kolar District Board Service for about 14 years, is now in the Kolar Gold Fields since the past three years. He was drawing a salary of Rs. 72+20+10 till October last and was sent out of Kolar Gold Fields to Kolar to act for the permanent man on leave, but on return of the latter he was reverted to Kolar Gold Fields. During his absence the entire work of Kolar Gold Fields had been distributed amongest the three which included B. Aswathanaraynaiah. This place had been considered to have been retrench-ed and in the ordinary course of events Mr. V. Krishnasamy Rao ought to have been provided with a place elsewhere after his acting period of service was over. Moreover the proposal of the Sanitary Board was also to retrench a Sanitary Inspector on Rs. 72+20+10. It was Mr. V. Krishnasamy Rao who was drawing this salary. He was once thrown out from the post of Deputy Inspector of Vaccination. He is junior in service to B. Aswathanaraynaiah.

25

iii. Mr. J.A.R. David aged about 53½ years, is an unqualified Sanitary Inspector on Rs. 95+20. He was the Market Sergeant, Robertsonpet, from 1906 to 1922 but due to complaints against him, has been posted as a Sanitary Inppector about 3 years back.

iv. Mr. S. Krishnaiah aged 32 years has put in only 9 years of service and gets Rs. 49+20.

Besides these Sanitary Inspectors there is a Market Sergeant temporary, on Rs. 75/-., who is also junior in service to B. Aswathanaraynaiah.

4. Out of the above hands, it is an irony of fate that B. Aswathanarayna-iah has been selected to be retrenched for no fault of his.

His stay in Kolar Gold Fields and his experience as an all round hand and particularly his good work during the outbreak of several severe Epidemics on the Fields ranging over a period of 20 years which cost very nearly his life in 1916 have all enabled him to secure excellant testimonials from his superior officers among whom are to be included Dr. Munisiff, Dr. Mascarenhas, Mr. K.V. Anantaraman &c. His sincere and conscientious work must have weighed in the minds of the Members of the Sanitary Board to retain his services and see some other hand discharged in his stead.

5. B. Aswathanaraynaiah has a large family of 6 children, aged father, 3 brothers, and other dependants to support and if discharged at this stage of life, it would work very great hardship and would seriously affect the big and poor family. He has spent the best part of life energy and prime of youth in Sanitary Board service and has nothing else to depend upon except the Government appointment.

Under the above cirsumstances B. Aswathanaraynaiah prays the benign Government to kindly pass suitable order either for his retention in the Sanitary Board Service as his claims are superior to those of all others and kindly not to give effect to the Resolution of the Sanitary Board to retrench him or to keep the Resolution in abeyance till a place is provided for him.

For which act of kindness not only he, but all the members of his family will feel greatly indebted.

Office of the Sanitary Board, K.G.F.

No.79. Dated, Champion Reefs, the 16th April 1908.

Memorandum.

N. Ranganatha Iyengar and B. Aswathanarayanaiaya are confirmed in their appointments of Sanitary Overseers, Kolar Gold Fields Sanitary Board Circle.

Sd. P.F. Bowring,
for President, Sanitary Board,
Kolar Gold Fields.

He was in charge of the Chief Sanitary Inspector, in addition to his ~~own~~ work for 21 days from 5th to 25th August 1912 both days inclusive. (Charge allowance at 10 per cent of 75 Rupees).

Sd. T. Chokanna,
Vice President, Sany. Board.

He was Chief Sanitary Inspector acting K.G.F. from 19-3-1913 to 26-5-1913.

Sd. T. Chokanna,
Vice President, Sany. Board.

Mr. B. Aswathanarayanaiya has been working under me as Sanitary Inspector for the past five years and rendered me every satisfaction in the discharge of his duties. If the appointment of the Chief Sanitary Inspector is split up into two when the present incumbent is provided for elsewhere according to the resolution passed in the Sanitary Board on 22-8-13 I am of opinion that S. I. Aswathanarayanaiya should be selected for supervising Public Works and Rent Collection as his knowledge of Sanitary Engineering is sound and is a good hand at figures.

Sd. Jamshyd Munsiff, F.R.C.S.,
Medical Officer of Health, K.G.F.

He is a hard working and intelligent official, knows his work thoroughly and carries out orders unquestioningly. He deserves to get on.

Sd. T. Chokanna,
Vice President. July 14.

Work satisfactory.

Sd. B. Venkoba Rao,
Vice President.

COPIES OF TESTIMONAILS &c. (Contd.)

Mr. B. Aswathanarayanaiya had been Sanitary Inspector of No.1 Circle for nearly seven years. He is an intelligent young man. During the epidemics of plague, cholera and small-pox he has worked hard. He has training in vaccination and Engineering and with his knowledge of Revenue Department he would always be a good Office Assistant to the Health Officer.

Sir,

In A.R. 7

9/4/26

With reference to Government Order No.L.6169-71/L.B.36-25-14 of the 26th March 1926 sanctioning certain proposals of the Board in regard to retrenchments in expenditure under establishment and observing why an official with the smallest service should not be discharged in place of Sanitary Inspector Mr. Aswathanaranaiya etc., I have the honour to state that the Board resolved to discharge the said official as it could ill afford to pay an official on so high a salary as Rs 72/- plus 20/- L.A. in its present financial condition and besides there were two officials on the same scale of pay but as there were several complaints against - - Sanitary Inspector Aswathanaranaiya by the public as well as by the - Health Officer ~~and~~ the Board agreed with the Executive in discharging the official of questionable character. The Board are aware that so far as discharge is concerned it is a hard case whether an official with the shortest or longest service is discharged but the point for consideration of the Board was the question of saving. As already reported a further period of three months has been granted to the official and in the - meanwhile the Government has been addressed to be so good as to direct the Local Bodies in the State to reserve existing vacancies for this - official. I would also earnestly request that all Local Bodies may be

asked

asked to report to Gove___ent all existing vacancies among Sanitary Inspectors so that Aswathanaranaiya may be given one of them.
